

NEW VIRTUAL SUPPORT PROGRAM AVAILABLE TO HISTIOCYTOSIS PATIENTS

Hope for Histo A Peer to Peer Forum

Join us to share
experiences, to support
one another, and to
bring hope to the histio
community

**No one should have to face
their histio journey alone.**

**The Histiocytosis Association is committed
to helping foster connections across the
histiocytosis community and to offering
our hearts and time
to support you as best as we can.**

**If you or someone you care for has been
impacted by a histiocytic disorder,
we invite you to join the discussion in a
peer to peer group that best
fits your interest.**

**If you have any ideas or questions, we want
to hear from you! Info@histio.org**
