In this special edition newsletter, we will share with you just a sample of some of the ways you can get started in spreading Histo Awareness this September.

Support Awareness Month

Histo community members are working hard to spread awareness and raise funds - will you consider participating or donating to support their efforts?

Every bit counts, and the results are exponential, as you can see by the great events advertised below.

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has"

-Margaret Mead

Awareness Wreaths

Ambassador and Histo Warrior Shannon Mayville has created two custom Histo Awareness Wreaths to raise awareness and money to support the Histo Community!

A portion of the proceeds from the sale of these wreaths will help support the mission of the Histiocytosis Association to raise awareness of histiocytic disorders, provide educational and emotional support and fund research leading to better treatments and a cure.

If you would like to purchase a one-of-a-kind handmade wreath while supplies last, visit and share the link below.

Camp Out for Histo is BACK!

Gather your friends and family, and neighbors too, and create your own camping experience this year!

Whether you're camping inside or outside, in a tent, a tree or an RV, under the stars or the dining room table - campers will enjoy a mix of family-friendly, on-your-own activities and help raise awareness and funds for histiocytic disorders.

Campsites will compete for fun prizes for most histio spirit, most unique campsite, most campers, and the campsite that raises the most funds.

Grab your gear and start planning now - registration for this year's Camp Out for Histo is opening soon!

Have questions about the Camp Out, email events@histio.org.

Tribute Garden

Histo Warrior Tribute Garden

The Histiocytosis Association is once again "planting" a Histo Blue Ribbon Tribute Garden. The tribute ribbons will be on display at the Histiocytosis Association office in Pitman, New Jersey throughout the month of September.

If you would like to submit a name to be displayed on a ribbon in the Garden, please complete the form below. Warrior's name, age, diagnosis and home state will be inscribed on a ribbon by Histiocytosis Association team members and volunteers.

Tree Ribbon

Tie a Blue Ribbon for Histo

The Tie a Blue Ribbon for Histo campaign is a grassroots initiative that brings Histo awareness into communities across the country. Tie a blue ribbon around your “old” oak tree, mailbox or light post and invite your family, friends and neighbors to do the same.

Let’s paint our towns in blue ribbons all throughout the month of September to help spread the word about histiocytic disorders.
